Dear Ruth

The question of UK National Representation on IUPAC Bodies was discussed at a recent BNCl meeting. I am presently writing to the NRs and will get back to you as soon as possible.

At the meeting, it was agreed that Professor G J Leigh would be proposed as a member of the IUPAC Bureau. He has agreed to have his name put forward and I will soon be sending you the appropriate CV, photograph and other material necessary to complete the nomination.

In a separate letter, I have informed you about the composition of the UK Delegation to the General Assembly in Berlin.

With all best wishes.

Stanley S Langer
